History of the International Pilgrim Virgin Statue of Our Lady of Fatima

On October 13, 1947, in the presence of some 150,000 pilgrims, the statue was blessed by the Bishop of Leira at Fatima, Portugal to be the pilgrim, the traveler.

Sent out to bring the Message of Fatima to the world, the International Pilgrim Virgin Statue has traveled the world many times, visiting more than 100 countries, including Russia and Red China, bringing the message of hope, "the peace plan from heaven," to millions of people. Many miracles and signal graces are reported wherever the statue travels including shedding tears many times.

The Pilgrim Virgin Committee was formed to carry out the mandate set down by the Bishop of Fatima in 1947 and now—the Message of Fatima is more urgent than ever. So, the Pilgrim Virgin Committee continues to bring the statue to the world and the demand for visits of the statue remains.
